Family Service

OF THE PIEDMONT

**MENTAL HEALTH AND
SUBSTANCE USE**

Family Service of the Piedmont's professional therapists provide individual and family counseling for children, adolescents and adults dealing with issues of:

- Substance use
- Drug addiction
- Alcoholism
- Anger management
- Depression
- Anxiety
- Family stress
- Physical and/or sexual abuse
- Grief counseling
- Marital problems

What We Offer

- Confidential individual, group and family counseling
- Walk-in counseling clinics
- Psychiatric medication evaluation and management program
- Substance use treatment and counseling
- Primary medical care services
- Trauma-focused care
- Case management
- Referral information
- Bilingual counselors

Family Service of the Piedmont uses a multi-disciplinary approach to healthcare known as Integrated Care. Mental health, substance use counseling, psychiatric care and primary care are all offered in one location.

Clients without insurance can receive primary care along with behavioral and psychiatric care.

Clients with insurance can receive behavioral and psychiatric care.
